

WAND Cannabis Taxonomy

The WAND Cannabis Taxonomy has 564 categories and 391 synonyms covering the cannabis industry.

This taxonomy is ideal for a business involved in the industry as a cultivator, a dispensary, or both. The WAND Cannabis Taxonomy provides a strong foundation of terms and can be customized to include additional terms related to a specific facility.

The WAND Cannabis Taxonomy can be combined with the WAND Packaging Taxonomy, the WAND Retail Taxonomy, the WAND Sales and Marketing Taxonomy, and the WAND Facilities Management Taxonomy to cover the various areas of the industry.
